**RELEASE STATEMENT**

*"By signing this, I understand that Hypnosis and or Tapping are not a substitute for medical or psychological care or medication. Hypnosis is not meant to diagnose or treat any disease, but rather it is intended to provide information, education, and motivation that will promote feeling better, improving faster, and generally being more effective. It is designed to give me insight and tools into my innate healing potential and guide me into being more effective in helping myself. **I have been encouraged to advise my doctor and/or seek the advice of a licensed health care provider, should I choose to, with regard to treating me for specific medical or psychological problems.***

*I hereby authorize Modern Hypnosis Works LLC to hypnotize me and or use EFT Tapping for the purposes outlined in this intake form and for future purposes that I may request. I understand that the success of my Hypnosis sessions depends greatly on my own ability to participate and desire to create change in myself. I understand that like other healing arts, the practice of Hypnosis is not an exact science. I understand that Modern Hypnosis Works LLC cannot offer any guarantee of the success of my treatment, nor are refunds given for services rendered. I am aware, however, that Modern Hypnosis Works LLC will do everything in its power to ensure my success. I do hereby release and discharge Modern Hypnosis Works LLC and its associates from all claims of damages or responsibility from alleged damages arising from or growing out of my participation in Hypnosis, EFT Tapping, Neuro-linguistic Programming, visualization or other tools and techniques employed by Modern Hypnosis Works LLC. Also, I understand that audio recordings may be made during sessions and that Modern Hypnosis Works LLC retains rights to these recordings.*

***By signing this form, I am stating that I have read this form, understand and agree to all of its contents.***

*I acknowledge the limitations of Hypnosis. I understand that Hypnosis is not offered as a substitute for medical diagnosis and care. Vanessa Lindgren is not a medical doctor or psychologist. I further acknowledge that Vanessa Lindgren may advise me to continue to seek appropriate diagnosis and treatment of my symptoms from qualified medical practitioners or other health care professionals.*
